REMINDER - ACTION ALERT

**Support a robust infrastructure agenda
to promote economic recovery**

ACEC member action is requested to engage House and Senate lawmakers to support an economic recovery agenda that includes significant and sustainable investments in the

nation's critical infrastructure and regulatory reforms to move projects forward expeditiously.

While Congress needs to act to address near-term priorities to keep businesses afloat, ACEC and stakeholder allies are urging lawmakers to begin action on longer-term measures that will kick start the economy and sustain growth in the coming years. ACEC supports an agenda that includes a long-term reauthorization of the FAST Act with sustainable and growing revenues, passage of the Water Resources Development Act (WRDA) to authorize new Corps of Engineers water projects and more funding and financing mechanisms to support water and wastewater projects, and measures to support energy markets, vertical projects, and other priorities in the built environment.

ACEC OKLAHOMA Job Announcement President & CEO

As most already know, ACEC OKLAHOMA President & CEO Jim Sullins will be retiring at end of 2020.

With that, the Board of Directors has formed a Search Committee to identify candidates for the position.

Following direction of the Board, the Search Committee has developed a Job Announcement, Description, and Application form, all three of which can be found on our website: www.acecok.org

Applications are now being accepted. If you know anyone who might be interested in the position, please feel free to direct them to the ACEC OKLAHOMA website.

Applications will be accepted thru June 15th or until the position is filled.

ACEC Free-to-Member Webinars

ACEC is hosting a number of free-to-members webinar in the coming days which we encourage in which we encourage you to participate.

The webinars are:

ACEC OKLAHOMA Convention to be held Virtual Midwest States Meeting with Oklahoma/Missouri/Kansas in Branson Cancelled

We are sorry to report that the Midwest States Convention, held jointly each year with ACEC OKLAHOMA, ACEC Missouri, and ACEC Kansas has been cancelled due to the COVID-19 pandemic.

With that, ACEC OKLAHOMA will be hosting a "virtual" Annual Meeting as follows:

**Annual Meeting of the Council
Monday, June 8, 2020
1:30pm - 4:00pm
Via Zoom**

As it is the Council's Annual meeting where the annual Budget is considered and Election of Officers takes place, it will be open to all ACEC OKLAHOMA members. Registration invitation will be sent as we get closer to the event. For now, please mark your calendar and plan to join in on the Annual Meeting.

ACEC Business Ins. Trust "Return to Work" Guide

The ACEC Business Insurance Trust and Greyling Insurance Brokers, a division of EPIC, has just released this "**Employers' Guide to COVID-19 Return to Work or Resumption to Operations** ."

The questions and responses are designed to offer guidance as employers begin the process of reopening workplaces. EPIC's coronavirus resource center also provides insights, webinars and overviews on timely topics related to COVID-19 (<https://epicbrokers.com/coronavirus/>).

2020:

If you are experiencing a hardship regarding obtaining your continuing education hours which is directly or indirectly related to the COVID-19 state of emergency, you may go online to renew your license and claim the last selection on "Professional Development Hours" page which states, "I am applying for license renewal. I am EXEMPT as I am a licensee experiencing physical disability, illness or *other extenuating circumstances as reviewed and approved by the Board* " .

By selecting this exemption you are required to submit documentation within 30 days of your license renewal describing the hardship situation. Examples could include the cancellation of scheduled classes, meetings, health concerns, work requirements etc.

COVID-19 Safety Guidance Document

During these unprecedented circumstances, the key to navigating a world affected by the COVID-19 pandemic is consistent adherence to guidelines provided by medical experts.

Our colleagues at ACEC New York developed this document "Design and Construction Industry COVID-19 Safety Guidelines" which you can view/download by clicking the picture above.

Our THANKS to ACEC New York for their work in putting this together and for sharing it with all of the ACEC member organizations.
